## **About Malaysia Competition Commission (MyCC)**

Established in June 2011, MyCC is an independent body responsible for enforcing the Competition Act 2010, which was implemented to create healthy competition which would in turn stimulate productivity and innovation, thus creating wider choices of products for consumers with better quality and reasonable prices.

The Act applies to all commercial activities undertaken within and outside Malaysia that affect competition in the Malaysian market. It provides a regulatory framework including powers to investigate, adjudicate and impose penalties on the perpetrators of the competition laws.
