## **MyCC WARNED NURSERY AND NANNY ASSOCIATION**

**KUALA LUMPUR, 4 August 2015** – Malaysia Competition Commission (MyCC) has warned Nursery and Nanny Association including their members in relations to fixing of scale fees collectively and refuses to independently determine their scale of fees. This is because fixing scale of fees contravenes Section 4 of Competition Act 2010 (CA 2010).

Section 4 of the CA 2010 prohibits enterprise to fix, directly or indirectly, a purchase or selling price or any other trading conditions for goods and service.

If an enterprise was found infringing the law, MyCC may impose a financial penalty up to 10% of the worldwide turnover for each enterprise over the period of the infringement, or impose any other direction that it considers appropriate.

Therefore, MyCC has ordered all Nursery and Nanny Association as well as their members all over Malaysia to dismantle their fixed scale fees immediately. MyCC Chairman, Tan Sri Dato' Seri Siti Norma Yaakob said, "This does not mean any nursery and nanny who wants to fix scale of fees **INDIVIDUALLY** either to increase or lower prices are free to do so. Price increases alone not an anticompetitive practice, but MyCC want to ensure they decide individually whether they want to increase or not based on their operating cost which may varies from one another."

Public are encouraged to report to MyCC if they have any information about professional body and / or trade association which involve in fee setting followed by their members without any basic legislation to do so.
